

## Mjölby School of Arts

Mjölby School of Arts offers voluntary classes for children and young people, aged 7 - 20 years. Mjölby Municipality is in charge of the school. The school is situated in the same building as Lagman School, near the train station.

We offer three kinds of activities:

- Music
- Twirling - Dancing
- Visual arts

The classes run every week, but if you play a musical instrument you can also join an orchestra or ensemble, at no extra cost! We also arrange extra activities such as concerts, performances, exhibitions, rehearsal days and concert tours.

Mjölby Municipality funds the activities, but each participant has to pay a fee each semester, varying between 350:- and 800:-, depending on which class you join. Help can be offered to pay the fee for those who have difficulty in paying. Please, contact the principal: Tina Herrgårdh!

*Taking part of the activities in the Mjölby School of Arts is a fine way of getting a lifelong interest, a way of making new friends and of having a fantastic leisure activity!*
